SALE AT 12:00 NOON — LUNCH WILL BE SERVED ON THE FARM

AUCTIONEER: J. E. HALSEY

Under the Management of Mervin F. Aegeuter
Seward, Nebraska

Here is an offering that I think every Shorthorn Breeder in America will be interested in because

YOU'RE BUYING the kind of breeding that tops in shows and sales both. We predict that when Killearn Norseman 3d bulls and heifers get into full production, their striking uniformity of winning type and quality will be in demand everywhere.

YOU'RE BUYING from a wide selection, 2 herd bulls, 1 yearling bull, 8 junior bull calves, 40 bred cows, 14 cows with big husky calves at foot, 17 bred heifers and 18 open heifers.

YOU'RE BUYING the product of a carefully culled herd where every member of the breeding herd is a regular producer. You can buy each and every individual that sells fully guaranteed, T. B. and Bangs tested and ready to make a profit for you and your herd.

YOU'RE BUYING mainly the get and blood of four great bulls, bulls that individually were among the very best of the breed and backed by proven production records . . . *Helfred Moonlight* . . . *N. U. Gold Miner* . . . *N. U. Gold Nugget* and *Killearn Norseman 3d*.

Since late November Walter Davidson, recognized as a top cattle-man throughout the United States, has been in charge of the Hillbrook Herd. Farm Manager Gordon Nicholas and Owner John E. Greig's chief concern at all times has been to see that the herd was kept in a high state of productivity and health.

There is a place in your herd for one or more of these cattle and I urge you to take advantage of this truly rare opportunity to select individuals of this calibre at your own price.

MERVIN F. AEGERTER

TO ALL BREEDERS OF SHORTHORN CATTLE . . .

It is with great regret that I am dispersing the Hillbrook Farm herd of Shorthorns that has been built up over the period of the last fourteen years. I think that we have one of the outstanding cow herds in the United States. This herd has been severely culled all of the time it has been in existence and with two exceptions, we have never sold what we considered a first class female. All have been retained in the herd as breeding cows. While this has not been a plan that would make our herd famous as a producer of top selling females in the various consignment sales, it has made a good herd of breeding females.

This herd will be sold intact, with the exception of the half interest in N. U. Gold Nugget and that half interest goes back to the University of Nebraska. There have been no females held out nor any females sold to friends. When you come to this sale, you will have an opportunity to buy any and every animal that has made up this herd.

We think we have been fortunate in the last four bulls we have used. Helfred Moonlight sired several extra good cows and N. U. Gold Miner, while not a sire of top bulls, left a great number of very fine females in our herd. N. U. Gold Nugget following him sired both good males and females. Our most recent purchase, Killearn Norseman 3d, whom several good judges say will be the best bull to be sold at auction this year, is siring calves which almost without exception have good colors and excellent conformation and will be on display for your judgment on sale day.

These cattle sell with the usual Shorthorn guarantee and I know that you will be pleased when you come to our sale.

JOHN E. GREIG

Visitors inspecting Killearn Norseman 3d on his arrival at Hillbrook Farm after he had been purchased in the 1945 record Killearn Farm Sale where he and 16 of his half-brothers, all sired by Norseman, averaged \$1760 per head.

N U GOLD NUGGET was the 1942 National Western Stock Show grand champion bull at Denver. Being out of a full sister to our then herd sire, N U Goldminer, we felt we could further concentrate this potent blood in our herd through the use of this bull. Consequently, we induced the University of Nebraska to sell us one-half interest in N U Gold Nugget. Since that time his service has been divided between these two herds. Sons of N U Gold Nugget have been grand champions and top selling bulls at four Nebraska State Breeders' Sales, at the 1945 Sioux Empire Show and Sale and at the 1946 Tri-State Breeders' Sale. At the 1945 International Congress Show and Sale, one son, Hillbrook Masterstroke stood next in class to the grand champion bull and a daughter, Hillbrook Marigold 11th, won her class. All of his top daughters have been retained in the herd and 21 of them sell in this sale along with his valuable mating. Because the University of Nebraska did not wish to sell their half interest in him, the 100 percent ownership of N U Gold Nugget now goes back to them.

KILLEARN NORSEMAN 3d was without doubt the best liked bull by real cattlemen in the 1945 Killearn Farm Sale at Edmonton, Canada, where we purchased him for \$2600. His sire is Imp. Norseman, winner of reserve grand champion at the 1943 Perth Sale and sold to Claude Gallinger for 1000 guineas. His grandsire, Coldoch Sensation is also the sire of Edellyn Royal Leader and Prince William, two bulls making excellent records here in the States. His dam, Danny's Roan Lady, is by Danny Boy, a grandson of Naemoor Jasper, greatest bull ever used in the Gallinger herd. His second dam is by Hercules Cupbearer, a grandson of Millhills Coronet, a Perth supreme champion and highest priced bull at \$36,000 prior to the recent world record Pittodrie Upright, now owned by Sni-a-Bar Farms, Grain Valley, Missouri.

Killearn Norseman 3d is a young bull, only two years old. His first calves can be seen and bought in the sale and leave little doubt but what he is destined to be one of the top ranking breeding bulls in the entire country. His type is right. He is short legged, deep, thick and level in his lines. He is smooth and thickly covered, with a world of natural fleshing. He has a grand head. In brief, we believe we can modestly claim he will be the best bull to sell in America this year.

She has no teeth and we have to pamper her but she has dammed eight calves since 1939 and every one has been an outstanding calf. Her bull calf in 1940 was Grand Champion at the Sioux City Sale. Her 1941 calf was Junior Champion Female at the Sioux Empire Show and Sale and a first prize heifer at the Minnesota State Fair. Her other calves have been almost equally as good. We are selling two of her daughters in the sale and an outstanding bull calf by Norseman. Buy this cow and get started in the pure-bred business right. Bred to Norseman August 16th.
